Central School Council is at the heart of George School student government. To it come the most difficult problems; from it come the most important decisions. Every group in school and a large variety of opinions are represented

here, and it is a tribute to Student Body Representatives Bill Nelson and Peggy Means that these diverse opinions are democratically examined and formulated into plans which meet the approval of all.

THE SOCIAL INVESTIGATION COMMITTEE

Facing a multitude of perplexing problems the S.I.C. was formed last April to examine the basic causes of friction in George School's social system. A group of twenty students and faculty met with open minds and varying concepts of behavior. After endless discussion, polls were taken on the student, faculty, and parental views in an effort to consolidate public opinion and to draw some conclusions on the social problem. Questionnaires were also sent to comparable educational schools. Conclusions drawn from these polls and accompanying educational assembly programs made the recommendations of the S.I.C. major topics for discussion groups and general concern of the students. The establishment of a Social Guidance Council and a new Social Committee are among the results of determination, hard work, and intelligent compromise.

The Block-Busters

Maust makes an end run as Marshall throws a black (Ouch!) at number nine.

A rousing tackle.

Despite a slow start, the men of Brown won three consecutive victories over Haverford, Swarthmore J.V., and Bryn Athyn Academy as it completed the schedule. With the crushing defeat of Bryn Athyn Academy as the season's finale, the team finished over the .500 mark for the fourth straight year.

Our Mud-Bowl Champs

Beginning the season with a solid 4-1 victory over Lawrenceville, the soccer team completed its schedule with a win, a tie, and four losses. Spurred on by the enthusiasm of Coach Talbot and All-Scholastic member Dick Packer, the squad met Peddie, Haverford School, Westtown, Hamilton, Maristown, and the Alumni in spirited contests.

Double-cross: Shane kicks the ball out of harm's (Westtown's) way.

"Baat that ball!" Packer dribbles gaalward as apponent rushes in.

The South-Lawners

Down the field with Carpenter, Knight, and Vorhaus.

"Come on, Joey, dodge her!"

To shouts of "Goal on every corner," and "Out to the wings," this year's hockey team, coached by "Pete" Hess, displayed exceptional teamwork. Under the leadership of Co-Captains Barbie Carpenter and Debby Blodget, they chalked up a record of four victories and two defeats.

FIRST ROW: J. Hewitt, J. Robbins, K. Kirk, M. Paxson, M. Knight, D. Hoopes, J. Vorhaus, D. Blodget. SECOND

ROW: Miss Hess, V. Brewer, J. Blanchard, E. Lathrop, L. Malin, S. Rogers, S. Morrell, B. Carpenter, M. Shoemaker.

Mr. Sutton, Coach: (February 1 Flash)
 "Four returning lettermen have contributed heavily in our undefeated record to date. Improvement and experience in other weight classes must be relied upon to spread the burden of scoring and team success in our approaching major matches."

Kit Weir, Captain: "With the opening of the new gym and the expanded facilities, the 1952 wrestling team made a good start and expects to carry on in that tradition."

Rod Ward, Manager: "We are having one of our most successful seasons, because of the team spirit and will to succeed, coupled with the best of coaching and inspiring leadership."

Mr. McFeely, Principal: "This is the team work hardest with as I watch the various contests. They show great self-discipline . . . and can always be counted on, even in the 'clinches'."

Alive . . .

Miss Hess, Coach: "Even though swimming caters to the individual, this team is characterized by its group spirit and the ever present willingness to give and accept each other's criticism."

Trish Dow, Captain: "This year's varsity has more spirit than I have seen since freshman year on cub. Our practicing, sparked by Pete's novel ideas of gym shoes and rubber bands in the pool, has been hard and thorough."

Betsy Yeatman, Manager: "This year's team has a challenging schedule and several new additions to the team who help add bounce and spirit already sparked by their coach and captain."

FIRST ROW: P. Quigg, W. Quigg, T. Ragland, L. Thomson, E. Shoemaker. SECOND ROW: C. Borton, D. Willis,

Giles and Pete slap in for a photo-finish

Mr. Short, Coach: "Each year has offered its own special addition to team morale and success—flashes of Bill Phillips swimming breast-stroke as number three man on our 200 free-style relay team . . . the day we first beat Girard since I had been at George School, and now the many funny, exciting, wonderful scenes from this year . . ."

Tom Ragland, Captain: "We have a group of capable and versatile swimmers—no two meets had the same man in all races."

Bob Adler, Manager: "This year's swimming team is a strong one, with depth in all fields. The strong rivalry in each event is forcing improvement on all . . ."

Brown Out!

Miss Jamison, Coach: ". . . Always 100% cooperative—not only in contests but also in those daily 'rough' practices . . . High team spirit which would make anyone proud to coach them."

Sally Rogers, Captain: "The team has been characterized by the high standards of sportsmanship and spirit set by all those connected with it. The guards are to be especially commended for their excellent teamwork and brilliant play."

Shirley Morrell, Manager: "I think that the good luck charms, the yellow horseshoes, have done a great deal in boosting the morale of the team . . ."

Mr. McFeely, Principal: "The girls' basketball team carries on the fine tradition of hard play and good sportsmanship of all girls' teams . . ."

P. Keefe, D. Woodall. THIRD ROW: Mr. Thode, P. New, R. Seltzer, T. Marvel, R. Sobelman.

Gold Out!

Mr. Thode, Coach: "The big moment this year occurred when we finally moved into our new gym. All of us connected with basketball at G.S. feel that the caliber of play of our teams will improve greatly on the full-sized floor. We hope to express our appreciation by living up to this prediction and giving our fans 'plenty to cheer about'."

Bruce Campbell, Captain: "The varsity has had an off-and-on-season. Starting on the wrong foot, the team soon found itself and went on to beat Frankford 55-0 and Germantown Academy 37-25 in an overtime . . . The J.V.'s are to be commended on the fine brand of ball they have played."

Robert Sobelman, Manager: "While Co-Captains Bruce Campbell and Larry Shane provide the leadership of the team, they also inspire the team to play good ball . . ."

Eve Morgan, Editor

Dear Dan,

Next year. That phrase holds a lot of thoughts, plans and first ideas we both want to see happen. Personally, I've the highest hopes for it, and I expect "next year" to be ~~an~~ one to remember for a long time. We've come from the same background - the News (what memories?) - and we may go to the same end because I hope to see the government on the UN. This summer will be one to remember - as anybody's annual one - that means more than one thing. I don't think I need wish you good luck. J'espère que vous passerez paisiblement l'année prochaine. Je ne sais pas pourquoi. Let's hope for a good year - to be true, but I mean it.

Lous,
See

Walter
